When we decided on the theme for this year's yearbook, we chose "Together All The Way" for a reason. It was more than just a snappy slogan or a feelgood logo. We felt that it captured the spirit of our class. Three years ago, three high schools combined into one and it changed our lives. No longer were we identified by what part of town we were from or what career path we were taking. Now, for the first time in twenty years, we were all simply from Weymouth.

Over these past three years, the class of 1993 has grown together and become a strong and unified class. We went through a turbulent consolidation during our sophomore year and the transition of principals during our junior year. Finally, during our senior year, we have established a feeling of stability at Weymouth High School.

Senior Class Officers (l-r):Dan Condon, Jeanna Smith, Jason Hunter, Matt Junkins.

To the Class of 1993:

Well, we made it! Our four years of high school are already coming to an end. Working with this class has been an outstanding experience. We have had some great times here, but now it is time to open new doors, and go forward on our own. I'd like to wish you well in all you do, and thanks for the memories.

Sincerely,

Matt Junkins

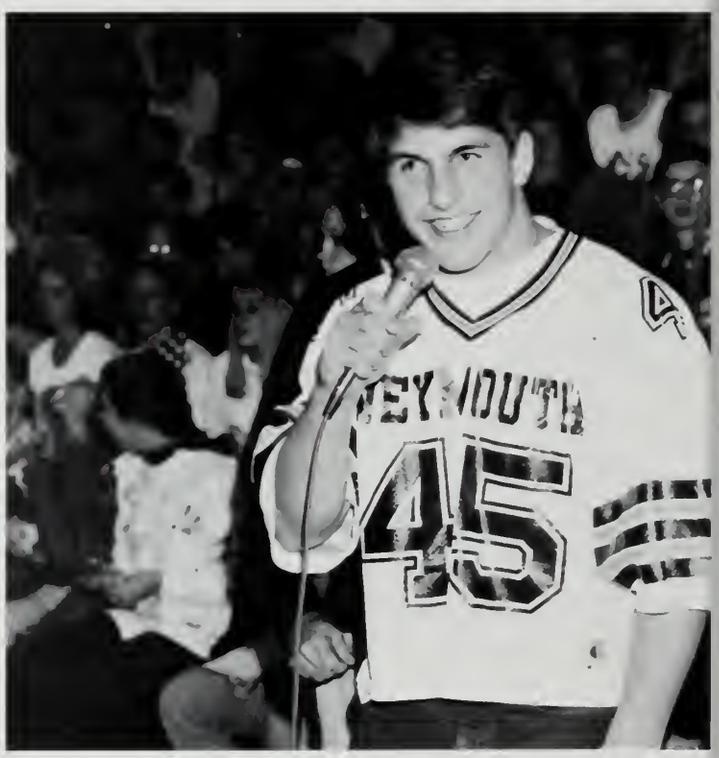
Pep Rally

Pep Rally

words of wisdom . . .



The dance team rocked, the band jazzed, and the cheerleaders pumped us up at one of the best pep rallies Weymouth High has ever seen. Kangaroo Court put senior wanna-be's and other too-cool types to shame in a messy pay back that left the gym floor covered in flour and shaving cream. The football team asked the student body to come out and support them in their efforts to defeat Brockton during the Thanksgiving game.

Don't You Forget About Me

-Simple Minds

Hey hey hey hey
Won't you come see about me
I'll be alone, dancing you know it baby
Tell me your troubles and doubts
Giving everything inside and out

Love's strange, surreal in the dark
Think of the tender things that we were working on
Slow change may pull us apart
Wandering back and into your heart baby
Don't you forget about me
Don't don't don't don't
Don't you forget about me
will you stand above me
look my way
never love me
rain keeps falling
rain keeps falling
Down down down
Would you recognize me
call my name
or walk on by
rain keeps falling
rain keeps falling
Down down down

Hey hey hey hey
Don't you try and pretend
It's my feeling we'll win in the end
I won't harm you or touch your defenses
vanity, insecurity
Don't you forget about me
I'll be alone, dancing you know it baby
Going to take you apart
I'll put us back together at heart baby
Don't you forget about me
Don't don't don't don't
Don't you forget about me

But you walk on by
will you call my name
As you walk on by
Will you call my name
when you walk away

Or will you walk away
Will you walk on by
C'mon call my name
Will you call my name

la la la la...
When you walk on by
and you call my name

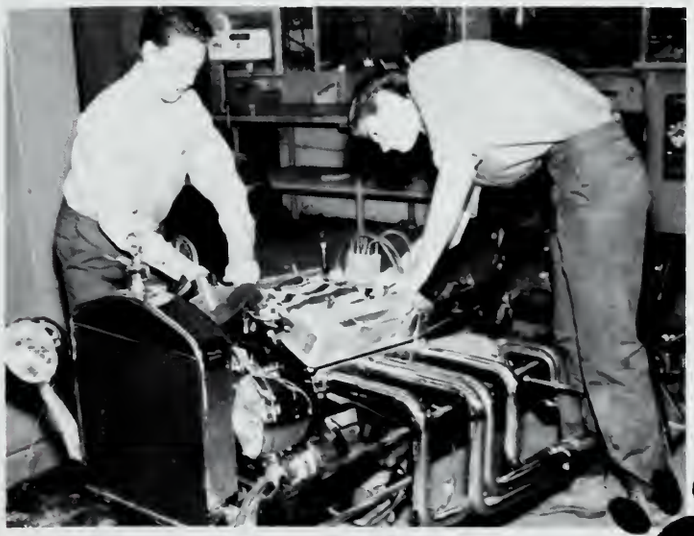
"SHOPS IN ACTION"

Automotive

The Auto Service Technology course provides instruction in all phases of automotive repair. Work is divided into instructional units consisting of motor overhauling, adjustments and repairs, transmission work, rear axle repairs, electrical troubles, steering adjustments, cooling system repairs, and many more. After graduation students find employment in garages, service stations and dealerships.



Building Maintenance

The Building Maintenance program is designed to introduce students to the various trades in the Building Maintenance field. Throughout the course the students learn construction, renovation, and remodeling. The atmosphere of this class parallels closely to actual job situations so that students will be able to gain employment upon graduation.

Carpentry

The carpentry program is a three year program. During the first year students are introduced to the tools and machines. Students in their second and third years are able to participate in a remodeling program in which a lot of work is done outside of school. Included in this program is a project in which the students build a complete house for a resident of Weymouth.

Child Care

The child care program is a two year program. During two years students acquire a basic understanding of child development and curriculum planning. Students have hands on experiences in an on site child care setting at the high school. The children they work with vary in age from six months to four years old.

Cosmetology

The cosmetology course is designed in accordance with the state of Massachusetts licensing requirements and includes 1000 hours of instruction and supervised practice. This course covers the specific skills used by beauticians in applying chemical preparation to beautify the complexion, skin, hair, and nails. What's the best thing about being a junior?

"Not having to worry about college applications — yet."

"Not being a sophomore."

What do you most look forward to about being a senior?

"Graduation!"

"Senior trips and class activities."

The class of 1994 has had a strong year, participating in many fundraisers and activities. At the annual flea market, the junior class ran the food table and raised over $300, and the whole class pitched in to decorate the junior wall for the pep rally. The class of '94 will be selling raffle tickets to raise money, and will also sell coffee and doughnuts in the morning. Hopefully, all the juniors will get involved with their class and make this a year to remember!

Sophomores

What's the biggest difference between junior high and high school?

"Everybody up here knows their own thing."

"More people, more freedom — more time between classes!"

What's the best thing about being a sophomore?

"Not being a freshman"

"Only two more years left."

The class of 1995 has slowly become a part of the high school, establishing their identity as a class. At the annual flea market, they ran a face painting booth and a pictures-with-Santa booth. This spring, the sophomore class will organize its own semi-formal dance.

PRINCIPALS

The Class of 1993 is the last class to have participated in the merger of our three high schools that began in 1990. As freshmen, you attended either North High School, South High School or the Vocational School. The following year you were the first class of sophomores at Weymouth High School/Vocational Technical High School. This was a major adjustment for all students. The period of transition was difficult at times, but as a class you worked together to forge a spirit of unity and purpose. You can be proud that you contributed greatly to establish a new identity for our school.

Richard J. Steele
Principal

The writer George Shaw Bernard was asked "If you could relive your life as anyone you wanted to be, whom would you choose to be?"

Without the slightest hesitation he responded: "If I could live my life over as any person whomsoever I'd choose, I would chose to live as the man George Bernard Shaw could have been, but wasn't."

There is only one you; you cannot be replaced. So . . . be yourself, your own unique self. Be the real you, and not a copy of someone else. The world needs you, and the hope, joy, talent, love, and enthusiasm you bring to it.

Give what you have, you can make a difference!

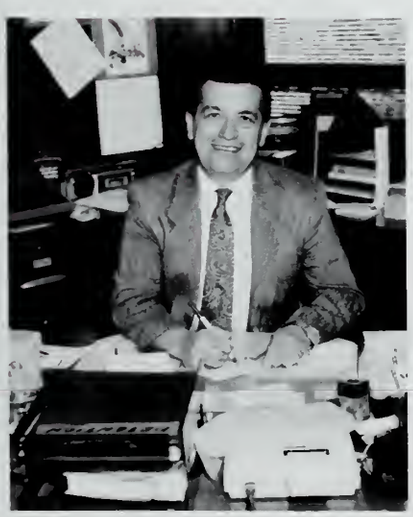
Best Wishes!
Eugene Stenstrom
Director of Occupational
Vocational Studies

Congratulations to the Class of 1993. I have enjoyed working with you and wish you success in all your future endeavors. "Do the best with what you have."

Anthony F. Ciampa
Assistant Principal

Congratulations to all members of the Class of 1993. With your high school graduation, you have completed a major step on the road to success. Continue to "Seize the Day," and strive for excellence in all of the many and varied choices open to you in the future.

Ray T. Granal
Assistant Principal



Best Wishes to each and every graduate. Use the skills that you have learned to achieve success. Fond memories of this class will remain with us long after you have departed.

In Loving Memory of

Jennifer L. Mullin

June 9, 1975

January 30, 1993

Lord, make me an instrument of
your peace
Where there is hatred . . . let me
sow love
Where there is injury . . . pardon.
Where there is doubt . . . faith.
Where there is despair . . . hope.
Where there is darkness . . . light.
Where there is sadness . . . joy.
O Divine Master, grant that I may
not so much seek
To be consoled . . . as to console.
To be understood . . . as to
understand.
To be loved . . . as to love.
for
It is in giving . . . that we receive.
It is in pardoning, that we are
pardoned,
It is in dying . . . that we are born
to eternal life. St. Francis

The world was cold.
Your eyes were bright . . .
With the face of an angel, soft and sweet.
And the golden locks of a lioness, that
Found their way down your back . . .
Looking for the right road to travel.
You were so young and innocent to those around you . . .
Unaware of the evil that tries to capture us all.
You trusted others, thinking everyone was good like you.
But the world was cruel, my sweet Jennifer.
Much too cruel for you . .
Your body and soul at peace, as a flower in the winter's snow
Your eyes like petals have closed . . .
Now the angels will guide you, to a
Much more beautiful world than we know . . .

T.B.
